## Service Learning Abroad ~ 2-Week Summer Trips

Non-profit "Cosmic Volunteers" offers the opportunity to gain international experience and cultural understanding through service learning trips to developing countries.

You can go to **Africa, Asia, or South America.**

Your **Two-Week** trip will have three main components: Volunteer Work, Classroom Lectures, and Cultural Excursions.

Our experienced staff will provide you with expert guidance & reliable support throughout, including pre-trip trainings, 24-hour supervision abroad, and post-trip follow-up & reflection.

### Program Highlights

- Volunteer at an orphanage in Ghana
- Build a house in Guatemala
- Teach street children in India
- Visit former slave castle in Ghana
- Tour India's Taj Mahal
- 1-on-1 Spanish classes in Guatemala

### Why Service Learning Abroad

- Help others in need
- "Learn by Doing"
- Gain international experience
- Become more self-confident & independent
- Challenge your world view

### Who Can Go

- High School Students
- College Students
- Faculty & Staff
- Parents of Students

- An experience that will last a lifetime!

(Not included: airfare, visa)

*Taj Mahal, India*

**Ghana**

### Who We Are

Cosmic Volunteers is a 501(c)(3) charity in Philadelphia that runs overseas service learning programs. Founded in 2001 by Philadelphia native Scott Burke (Penn Charter '87 and F&M College '91), we are a private, secular organization. Program fee & other trip costs are tax-deductible.

*"Thank you for being so helpful to us on our trip to Ghana, Scott. I'm so glad I did it."*

**- Dalia (Lower Merion HS)**

*"My daughter's time with Cosmic Volunteers was transformational, probably the most significant learning experience of her life."*

**- Peter (Catholic U)**

**Invite us to your school for a presentation and Q&A!**
